
Bible Reading Plans

Hopefully you are now convinced that daily Bible reading is both productive and enjoyable! The next question most men have is: what do I read next? Unless we have a plan (and someone to hold us accountable) we are doomed to failure. There are a number of different reading plans that have been developed to guide you through the Bible. The most basic plan is to start in Genesis and move progressively through Revelation. However, most people who start this plan rarely if ever get out of Numbers before giving up in frustration. Therefore, most of you will want to follow a different plan. The plans listed below have different goals. Find the plan that will best fit where you are at in terms of Bible reading and then stick to it!

Plan #1: This plan is the most basic. For the next month, use the Devotional Method to study one Proverb each day. This works well because there are 31 chapters to Proverbs. The book of Proverbs has a wealth of wisdom regarding family life.

Plan #2: This plan is designed to take you through several different kinds of books over the course of a year.

Month: Book:

- 1 Genesis
- 2 Philippians
- 3 Hosea
- 4 Psalm 1-75
- 5 Psalm 76-150
- 6 Luke
- 7 I Samuel
- 8 2 Samuel
- 9 Proverbs
- 10 I Peter
- 11 Nehemiah
- 12 Acts

Plan #3: This plan will take you through the New Testament in one year.

Plan #4: This plan will take you through a significant portion of both the Old and New Testaments in one year.

Plan #5: This plan will enable you to read the entire Bible in one year. The benefit of this plan is that it is designed to take you through the Bible chronologically. Thus, you can see how the whole of Scripture fits together in the history of God's plan.
