

A Commissioning Prayer

God our Father, as disciples of Jesus, we accept our commission from you to invest our lives in others.

Give these workers in your harvest the power, wisdom and courage to boldly live the Kingdom life in all the places of your choosing.

May Jesus be seen in their lives and may they always and everywhere model the life of Christ with authenticity and great zeal.

Give them eyes to see the path of service you desire for them and ears to hear the cry of the world's needs that you have equipped them to meet.

Father, as your Son modeled for us what it means to be a servant by washing the feet of the disciples, may they exhibit a servant attitude in all they do.

May you be their Lord, light, and guardian in the work you call them to. Grant them perseverance when tired, that they would not grow weary in doing well.

We commission them into your service,
in Jesus' name. Amen
