

## Soul Purpose Leader Evaluation Recommendation Form

### Soul Purpose Leader Qualities

Has a vision for disciplemaking and can articulate the concept of investment for the purpose of multiplication.

Understands the picture of authentic community.

Is actively living as an 'Insider' in the community.

Has incorporated spiritual disciplines into their lives.

Willing to develop a prayer team to support them.

Understands how spiritual formation works in people's lives.

Is willing to work with a coach to continue to grow spiritually.

Able to facilitate a group.

Character is consistent with the responsibility of leading a group of people through Soul Purpose.

Based on my review of the above leadership qualities, I would like to recommend the following person for Soul Purpose leadership:
